BABIES GET BLANKETS. Oklahoma Campers on Mission delivered 116 baby blankets for the Neo-Natal Unit at Oklahoma City's Baptist Hospital Dec. 16. These blankets are used to comfort the beds and wrap, warm and cuddle the NICU infants. For some, this may be the only item parents get to take home that has the scent of their babies. The NICU needs baby blankets 36" x 36" for the beds, and 45" x 45" to cover the isolates. Nurses said these 116 blankets would last only a couple of months. Pictured, from left, are Lois Kirkegard, Whynema Becker, Verian Day, Glenda Davis and nurse Margo Whiting. For information about helping with blankets or other Campers on Mission projects, contact Ken and Fran deCordova, Baptist General Convention of Oklahoma COM consultants, at 405/737-7770 or e-mail kendecordova@cox.net.
